# OMNIPRESENT CONFIDENCE

made for every room

A shape for every room. The switches have universal lines that leave a mark in both modern work environments as well as in cosy, comfortable living spaces. The LOGIQ family offers a simple and logical solution for your every wish.

# HARMONY OF COLOURS

Choose your hue

The LOGIQ family prides itself on its logical range of verified and elegant hues known and loved by our clients. Don't compromise, the LOGIQ family has you covered. We can always create the hue of colour in accordance with your special request. Logically.

■ anthracite

■ titanium

■ polar white

# LIMITLESS IMAGINATION

## Create your own combination

The LOGIQ family allows you to create your own combination. To make combining simple, we have created a useful system that supports the sequencing of horizontal and vertical lines. The so-called 55/55 system allows you to use the same universal elements every time. Know what you want? Don't worry, the LOGIQ switches can read your mind.

## **SIMPLE FOR THE MOST DEMANDING**

The LOGIQ family offers switches, regulators, sensors, and sockets for every purpose in one place. You can use these products individually or in a sequence. Just like every family that grows and develops, the LOGIQ family will continue to develop our range of products in accordance with your needs and wishes. We are happy to listen to you and offer a solution which will simply and logically continue the story of the LOGIQ family.

**ALL IN ONE PLACE  
AND MORE**

## LOGIQ INSTALLATION

LOGIQ is a solution for the system of standardized round installations boxes. It can be used for simple as well as more demanding installations, new buildings and adaptations. The system is characterised by plug-in contacts which save time during installation of elements.

ALL IN ONE PLACE AND MORE

# GOOD TO KNOW

All the sockets are equipped with a safety shutters assuring the protection to live contacts.

Contacts made of silver alloy (Ag-Ni) guarantee safe switching.

Fixing claws enable deeper fixing (also through ceramic tiles, etc.)

A well-planned switch construction makes easy illumination possible also subsequently.

Plug-in contacts enable quick and reliable attachment of wires. Two wires of different diameters can be attached to the same contact.

Easy-fitting installation boxes will make your work easier. Proper lengths are guaranteed.
